

NICHOLA LALA

That's mine

No! Be nice to us! We want to help!

A cartoon illustration of a school building at night. The building is a multi-story structure with many windows, some of which are lit. In the foreground, two children are standing: a boy with orange hair wearing a purple shirt, and a girl with long black hair wearing a white shirt. A speech bubble from the boy contains the text "We should follow her".

We should follow her

Where did she go?

Why are you here?

Okay... I will tell you what I know

**I was a student at this
school about 20 years ago**

**But I wasn't a
good student**

One day I couldn't
finish my school work

The teacher told me that I
couldn't leave until I finished

It was getting dark and
I still hadn't finished

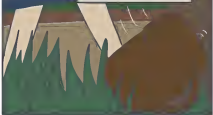

So I snuck out...

But when crossing the school...
...I saw the teacher

As I ran, I accidentally
dropped my bag

And then at the front of the school I
was hit by a car... and I guess I died...

And then I woke up
20 years later as a ghost

to be continued...
